**Fixed-Rate Investment Option**

\_\_\_\_\_ (Church) of \_\_\_\_\_ (City), on \_\_\_\_\_  
(Date) invested \$ \_\_\_\_\_ in the Baptist Foundation of Colorado's Fixed-Rate Investment Option. The Church's fixed rate of return will be \_\_\_\_\_%. The Church understands that this rate is fixed for the entire period of its investment. The Church also understands that it may not get this investment back until the maturity date of \_\_\_\_\_. Because the Foundation no longer receives interest on this investment after the maturity date, the Foundation must receive instructions by this date as to how to handle the Church's investment. If the Foundation does not receive such instructions, the Church will no longer receive interest after the maturity date. The Church further understands that the Foundation's objectives are to provide the Church with a good, competitive, fixed interest rate and security of principal.
